

Work Placements:

The Landmark London is keen to support students who aspire to a career in the hotel industry.

Placements are offered to students in higher education whose subject is directly or broadly related to the hotel and catering industry.

We invite applications for six month and 12 month placements in the following departments:

- Reception
- Concierge
- Revenue Centre
- Health Club and Spa
- Switchboard
- Restaurant/Bars
- Room Service

Requests for placements in departments "back of house" are also considered.

In order that students develop a valuable insight and experience at The Landmark, we request that at least three months is spent in each department.

We are happy to consider placements of shorter or longer duration than mentioned above and will also consider alternative departments where this assists with your individual career planning.

Competitive salaries and full company benefits are offered for all student work placements.
